Keith,

We received additional requests for pictures/analytical from the following companies:

Harcros Chemical
3m
Southern Clay Products
Ecolab
Thanks, Bonnie

I just looked on the R: drive and the information is there. It may have gotten posted after you checked yesterday. Let me know if you have issues accessing it and we can figure something else out.

Keith,

I received another correspondence from Eckart and when I went to check to see if there was information yesterday I could not find it in the folder. So can you email it to me? Thanks, Bonnie
